Re: Mr Duncan Thomas – Duncan Thomas Gardening Services

I have personally known Mr Duncan Thomas for the last 15 years and have regularly used his services for numerous clients of ours with either our properties for sale or our portfolio of managed residential properties.

Mr Thomas has also carried out work for our practice attending to our office gardening services.

I believe Mr Thomas is interested in placing before you a tender for the maintenance of the Calderstones Park development on the outskirts of Whalley and I have no doubt that Duncan and his team of professional gardeners would be an asset to the management of this prestigious development.

I have always found Mr Thomas and his team to be most courteous and have carried out our instructions to the letter.

I have no hesitation in recommending Mr Thomas's firm to your company.

Yours sincerely
